

North Manitou Island

The island ecosystem is extremely fragile. Your visit is one of thousands each year. Make your impact small and your enjoyment large. For a safe and successful visit remember the following:

Potable water is available only at the ranger station.
Ferry departure time can vary with weather conditions.

Please respect the rights of private property owners. Enter only buildings designated for public use. Unmaintained buildings and ruins are potentially dangerous. For your own safety, do not enter them.

Also note

- Boat motors are prohitod on inland lakes.
- No wheeled vehicles are allowed on the island (bicycles, carts, etc.).
- Hang food from trees to protect it from raccoons and chipmunks.
